Pilot Rhyme

Hey, I'm a pilot,
and I'm set to go up high,
I need to speed up now,
because I need to touch the sky.

**Wow, did you see that,
my plane is off the ground,
far from everyone,
I can see clouds all around.**

I show my stunts to all,
I fully control my jet,
if you want to be a pilot too,
then learn this rhyme and never forget.
