Level 4 - Unit 4  
Jobs - Lesson 1

# Vocabulary

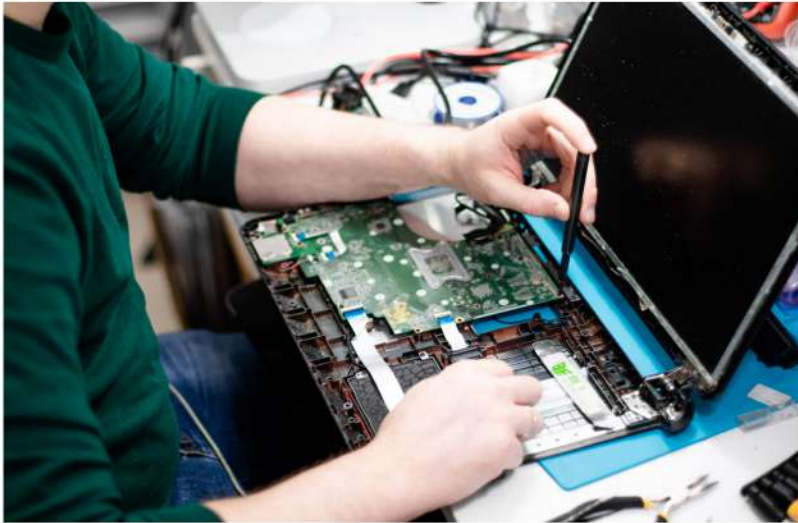

# Jobs - Vocabulary

**fix:** to make something that is broken able to work again (verb)

The man tried to **fix** the broken computer.

# Jobs - Vocabulary

**boss:** the person at a job that tells the workers what to do (noun)

Mary is the **boss**, so she makes sure her workers are doing a good job.

# Jobs - Vocabulary

**tool:** something that helps you build or fix things (noun)

Matt grabbed a **tool** from his toolbox.

# Jobs - Vocabulary

**customer:** a person who buys goods or a service (noun)

The store clerk handed the bag to the **customer** after she paid.

# Let's Read!

# Jobs - Mechanic

Jack **fixes** cars. He is a mechanic. Jack owns a car repair shop in the city. Jack loves fixing cars and helping people get back on the road.

# Jobs - Mechanic

Every day, Jack wakes up early and opens his shop. Jack has five other mechanics that work for him. He is a good **boss**, so his workers like him a lot.

# Jobs - Mechanic

Jack and the other mechanics clean their **tools** and the shop to get ready for **customers** to arrive. Soon, cars will start driving into his shop to get fixed.

# Jobs - Mechanic

The mechanics listen to what is wrong with each car and then use their tools to fix them. They fix many problems like flat tires and motors that won't start.

# Jobs - Mechanic

Jack's customers are very happy when their cars are fixed. The mechanics love helping people. At the end of the day, Jack closes up his shop and goes home. Tomorrow he will do it all over again.
