Level 4 - Unit 5
Seasons - Lesson 1

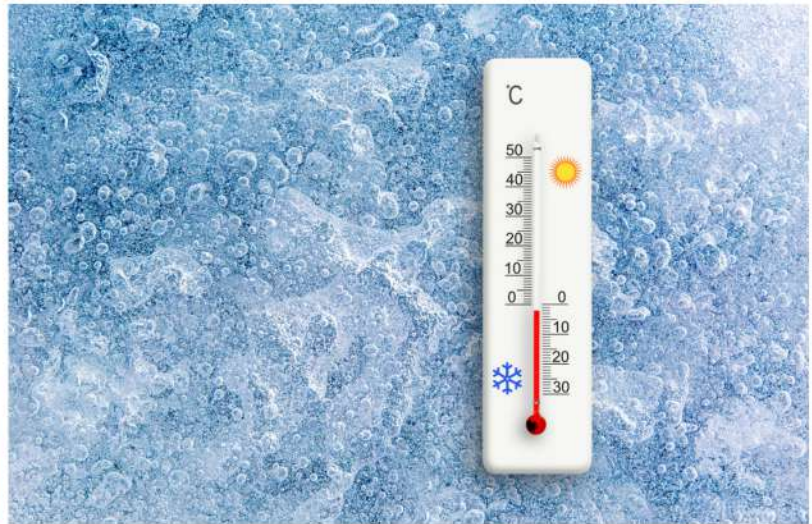

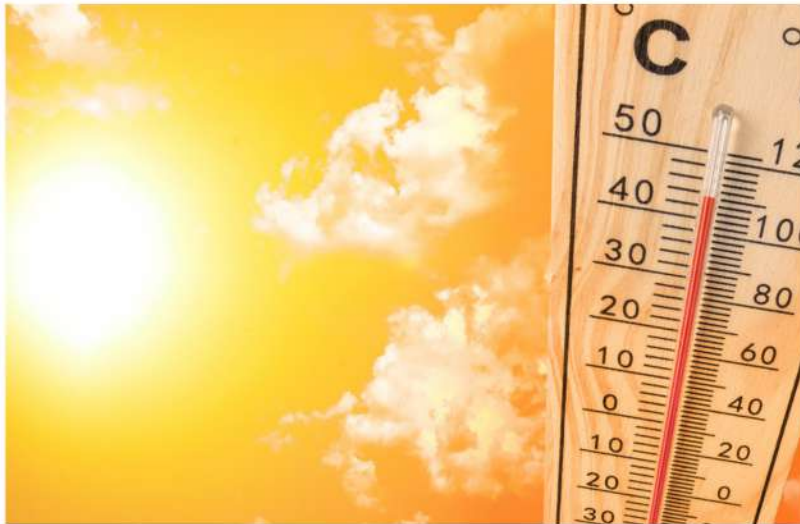

Vocabulary

Seasons - Vocabulary

temperature: how hot or cold something is, measured in degrees (noun)

The **temperature** is 42 degrees celsius on this hot summer day.

Seasons - Vocabulary

heat: a condition of being hot; hotness (noun)

The **heat** from the fire kept her hands warm.

Seasons - Vocabulary

shade: a darker area caused by something blocking the sun's light (noun)

The lion tried to lie in the **shade** to stay cool.

Seasons - Vocabulary

cool off: to become cool or cooler (phrasal verb)

The woman poured water on her face to **cool off** from the sun's heat.

Let's Read!

Summer Heat

It was summertime, and the sun was shining bright. The neighborhood kids were playing outside, feeling the high temperature of the sun's heat. It was 35°C (degrees Celsius).

Summer Heat

In a neighborhood park, some kids started a game of tag, running around in the hot sun. They had to drink a lot of water and wipe the sweat off their faces, but they had a lot of fun.

Summer Heat

Others decided to have a water balloon fight, splashing each other with the cool water. The cold water felt great in the sun's heat, and they laughed and screamed with delight.

Summer Heat

Other kids **cooled off** with some ice-cold lemonade. The sweet drink was very refreshing. They sat in the **shade** under a tree, enjoying their drinks and a nice little breeze.

Summer Heat

The pools and beaches were also crowded with kids. They were having a great time swimming and splashing in the water. It was another great way of cooling off in the hot summer heat.

Summer Heat

Finally, some kids cooled off with ice cream cones. The kids had a blast playing outside, even in the heat's sweaty haze. They couldn't wait to do it all again on another summer day!

Let's do Grammar!
