# Let's Read!

Kids all around the city gathered together in their neighborhoods to <u>celebrate</u> Halloween. The air was <u>chilly</u> and crisp, and the leaves on the trees were orange and red.

Some kids dressed up in scary <u>costumes</u>, while others chose to be cute animals or superheroes. They all had fun <u>showing off</u> their costumes to each other.

The kids went trick-or-treating from house to house, collecting candy and other treats. They noticed the trees rustling in the wind and the leaves falling to the ground.

As they walked, they saw jack-o-lanterns glowing on front porches and spooky decorations on houses. They even saw a witch flying on her broomstick in the distance.

After trick-or-treating, the kids walked back to their homes with bags full of candy. It was a spooktacular day, filled with Halloween fun and new memories to cherish.
