My Garden - 1

Practice Speaking!

Jan: Those flowers are very pretty. Where did you get them?

Mia: I picked them from my flower garden.

Jan: Oh, I didn't know you had a flower garden.

Mia: Yes, I grow many different flowers in my garden.

Jan: I wish I had a flower garden.

Mia: You can pick some of my flowers if you want.

In the garden, under the sun,
We loosen dirt, oh what fun!
With a garden rake, we scrape and play,
Making a spot for seeds today.
Here's my shovel, strong and neat,
To dig a hole, isn't that sweet?
In the hole, the plant seeds go,
Cover them up, nice and slow.
Rain may come, and sun will shine,
And soon our seeds will grow up fine.
