Class: _____

COULD + BE

Part A: Match the sentences to form meaningful ideas about possibilities that didn't happen.

- | | |
|--|---|
| 1. I could be meeting my friends • | • a) but the restaurant is closed today. |
| 2. She could be relaxing at home • | • b) but I have to finish my homework. |
| 3. They could be having dinner at a restaurant • | • c) but his car broke down this morning. |
| 4. He could be driving to the airport • | • d) but the internet isn't working. |
| 5. We could be watching a movie together • | • e) but she's still working at the office. |

Part B: Expand the given sentences by adding more details to show why the option didn't happen. Use "could be + V-ing" and a reason.

Example:

We might be going to the beach, but we decided to stay home.

1. We _____ going to the beach, but _____

2. I _____ sleeping right now, but _____

3. We _____ eating out tonight, but _____

4. They _____ camping in the mountains, but _____

5. He _____ studying abroad, but _____
