Compound adjectives

Part 1: Match the compound adjectives to their meanings

1. cross-eyed	___ describes someone who is not open to new or different ideas
2. thick-skinned	___ shows an unfriendly attitude to someone by ignoring them
3. green-eyed	___ describes someone who is insensitive to insults or criticism
4. open-hearted	___ describes a person with a pleasant and generous character
5. cold shoulder	___ describes envy or jealousy. It is used with the word "monster"
6. narrow-minded	___ how you would look if you try to look the tip of your nose

Part 2: Fill in the blank with the compound adjectives from Part 1

1. Alex is an _____ person. He is kind, understanding and helpful. An absolute and complete contrast to his sister who can only see in black and white. She is not only _____ but also extremely short-tempered. She starts shouting at the slightest provocation.

2. Fortunately, Tom's problem of being _____ was successfully dealt with this oncologist with the help of glasses and vision therapy.

3. I don't want to speak to Anna again. She refused to even acknowledge me at the party. She gave me the _____ treatment and when I tried to speak to her in the party, she was short-tempered and rude.

4. It is important to be somewhat _____ when it comes to dealing with patients in pain. One can't take offense to what they are saying. It's the pain talking, not the person.

5. Keep the _____ monster at bay. Don't let your jealousy show. A devil-may-care attitude would also damage you more than you think. They are looking for wise dependable people not reckless lighthearted people
