Tom's Paint Surprise

Tom was painting a big sunset on his canvas one afternoon. His friend Max came over with his sketchbook to draw beside him. "Wow, your colors are bright!" Max said. He leaned closer to look, but his nose touched the wet paint. A long orange mark appeared right on his face! Tom laughed and said, "Nice style!" Max giggled too. "I guess I'm the art now," he said proudly while wiping his cheek.

1. What happened to Max?
2. Would you rather paint or sketch? Why?

Lily's Folded Adventure

When Lily arrived, she brought bright paper sheets for origami. She showed how to fold them into birds. "It's easy," she said, smiling. Tom tried first, but his bird looked like a frog. Max tried next; his bird's head fell off. Lily laughed and said, "That's okay, you both made new animals!" Everyone laughed again. Soon, they all had a whole line of funny paper animals across the table.

1. What is Lily's hobby?
2. Do you think you would be good at origami? Why or why not?
